To whom it may concern

Subject: Buy American clause in Stimulus Package (ARRA 2009)

AEROMIX aeration equipment and packaged wastewater treatment plants are fully compliant with the Buy American provisions of the Stimulus Package.

- 1) AEROMIX is a US company incorporated in the state of Minnesota with home offices in the state of Minnesota.
- 2) AEROMIX manufactures all aeration equipment and packaged wastewater treatment plants in the USA.
- 3) With prior notice, AEROMIX can make sure all iron, steel and stainless steel used are from US sources.

Please pass this letter to all interested parties.

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter Gross", is written above the printed name.

Peter Gross  
President
