Re: TORNADO Aerator Operation

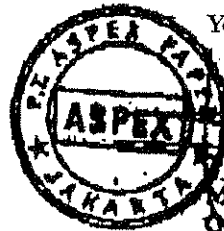

Dear Mr. Anderson,

This is to confirm that our eight 100 Hp TORNADO Aerators have been operating very well since their installation in 1990. We have been very pleased with the operation of the equipment. Beyond the standard recommended maintenance we have experienced no down time.

We have reconfirmed our satisfaction of your equipment by ordering fourteen new 100 Hp and five 50 Hp TORNADO Aerators for our new plant expansion.

We look forward to the arrival of our new equipment and a continued successful relationship with Aeromix Systems.

Yours Faithfully,
