AEROMIX Receives Highly Esteemed Frost and Sullivan Award

Minneapolis, MN - AEROMIX Systems, Incorporated is pleased to be the recipient of Frost and Sullivan's North American Aeration Equipment Green Excellence in Product Innovation of the Year Award. AEROMIX President, Peter Gross will accept the award at the Growth Excellence Award Banquet this fall.

AEROMIX received the coveted 2010 Best Practices Award based on these criteria:

- Environmental Accountability
- Product Profile
- Business Commitment

Frost and Sullivan recognizes AEROMIX for **investing heavily in research and development, ability to discern customer needs and wants, and building value from a strong product offering.**

The Frost and Sullivan Best Practices team of industry experts presents awards to companies demonstrating best practices in a variety of regional and global markets. Go to www.frost.com to learn more.

AEROMIX is a world leader in water and wastewater treatment equipment. Please visit <http://www.aeromix.com/frost.php> to learn more about the award and read the Frost and Sullivan award write-up.
